

Oscar Family

Keeping everyone connected,
one tablet at a time

Effortless Family Bond

Oscar Family is a user-friendly / easy-to-use tablet (and app) specifically designed for individuals with disabilities and older adults (seniors), enabling them and their families to effortlessly connect with one another, access telehealth, play games, and enjoy entertainment with a simple tap.

Made Even Simpler

With the FREE Family Member app, family members can easily connect with their loved ones, send messages, make video calls, share photos, and for approved family members, you can even add medications, set reminders, manage the layout of their device, and more!

Stay Connected

Stay connected with your loved ones like never before, using video calls, instant messages, and photo sharing to ensure they never miss a cherished moment.

Seamlessly bring the entire family together through group calls and chats.

One-Touch Entertainment

Oscar Family makes it effortless for your loved ones to enjoy news updates, check the weather, play games, browse the web, and stay connected online—all at the tap of a button.

User-Friendly

Oscar Family is thoughtfully designed for simplicity, ensuring that even those who may not be tech-savvy can comfortably explore the online world at their own pace.

Family members can also remotely add and modify apps for their loved ones, providing a personalized and user-friendly experience.

Safe & Secure

With Oscar Family, many safety concerns can be effectively addressed. Only known contacts can connect, eliminating the threat of scammers and hackers.

Oscar Family is also completely ad-free, eliminating worries about viruses.

Medications & Reminders

Designated family members can easily manage medications through the family app, adding or removing as necessary. They can also set timely reminders on their loved ones' devices, ensuring crucial events are never overlooked.

Capture and Share Precious Moments

Oscar Family allows you to effortlessly capture and share the significant moments in life through photos. Whether it's a family celebration, a beautiful sunset, or everyday joys, easily share these moments with your loved ones..

Use Our Dedicated Samsung Tablet or Your Existing Device

For those who prefer a dedicated Oscar Family device, we provide an option that includes a pre-loaded high-quality Samsung device with Oscar Family.

Already own a smart device? No worries! You can effortlessly install the Oscar Family app on all your smart devices, whether they run on Android or iOS.

Get the App with a Tablet

We get it – some of us love a dedicated device. That's why Oscar Senior is now letting you order the Oscar Family app with a Samsung tablet, pre-loaded and ready to roll.

No setup required, just pure family connection made easy.
